SQUARE D ™

Reduce Lead Times, Get More Done

Make extended lead times a thing of the past with our pre-assembled, certified UL 67 panelboards customized to your specific needs. Whether its a small-scale installation or a complex electrical system, we've got you covered.

Built to Your Specifications with:

- **Flexible Configurations –** Featuring 100A – 1200A circuit breakers for NF, NQ, and I-Line panelboards

- **Heavy-Duty Weatherproof Enclosures –** Designed for outdoor applications with vented NEMA 3R enclosures

- **Customizable Trim Types –** Available with both standard and indoor trim options for NEMA 1 enclosures

- **Fast Turnaround –** Order, receive, and install in a fraction of the time

Call your local Summit Service Center or visit summit.com today to get started.

Tailored Solutions That:

Reduced Lead Times

Lower Project Expenses

Reduce Labor Costs

Improved Efficiency
